### President's Message from Daphne Masin

Happy Spring!!

Please welcome Shaaron Bangs back to our Chapter. She transferred her membership in March. This brings our Chapter total to 15 members and growing!

Our WIC week project was a grand success and the clients of the CAPS Alzheimer's Day Care Center in West Covina were so very

happy to have an outside area for listening to the soothing sounds of their new fountain contributed by Al's Garden Art. Other contributors to our project that I would like to mention are: Armstrong Nursery, Jo-Ann's Fabrics, McAloney Enterprises, Inc, Rascon Electrical Inc., R& R Electric, Harris and Ruth Painting Contractors, Inc., Golden West Gunite, and Home Depot. With the assistance of CAPS staff member Gilbert Lorera, our members worked very hard with tree cutting, painting, building and planting. Thank you all so very much for your hard work in making this yet another successful project. See our web site for pictures of before and after at [www.NAWIC110.org](http://www.NAWIC110.org)

Our April 11, 2007 speaker Debbie Cabreira-Johnson will enlighten us on the topic of Government Procurement- Is it for you? Debbie is from the Small Business and Department of Defense Procurement Technical Center. This is an ever increasing business opportunity we should all gain from. Contact Gwen at 909-985-7688 for further information and reservations.

Our next event will be Industry Appreciation Night on June 20. We promise a "far out" presentation by Julie Webster with JPL. Her presentation will be on the Cassini Space Project. Block Kids, Scholarship, Member of the Year and Board Election results will also be presented. Watch the newsletter and web site for more details.

Looking forward to at Annual Form April 20-21, 2007., hope to see you there. Happy Easter to everyone and enjoy the time with friends and family.

Just for fun...

A few Murphy’s lesser known laws

1. Light travels faster than sound. This is why some people appear bright until you hear them speak.
2. He who laughs last, thinks slowest.
3. Change is inevitable, except from a vending machine.
4. Those who live by the sword get shot by those who don’t.
5. If the shoe fits, get another one just like it.
6. The shinbone is a device for finding furniture in a dark room.
7. A fine is a tax for doing wrong. A tax is a fine for doing well.
8. If you lined up all the cars in the world end to end, someone would be stupid enough to try to pass them, five or six at a time, on a hill, in the fog.
9. Nothing is foolproof to a sufficiently talented fool.
10. Give a man a fish and he will eat for a day. Teach a man to fish and he will sit in a boat all day drinking beer.
